# Southwestern Branch Lobby is Open!

We are excited for you to see all the work that has been done at our Southwestern Boulevard Branch! The lobby has officially re-opened and we think it looks amazing. We've kept our focus on continuity of service, and making sure we are as efficient as we can be for you, our members. Here are some highlights and answers to your questions about the newly renovated branch:

If you've used the ATM at our Southwestern Boulevard branch drive thru, you've seen that it's been upgraded! The machine accepts deposits of cash and checks without an envelope. Additionally, during business hours, this machine can also be used as a ITM, allowing you to interact with a teller from the convenience of your car.

Our coin machine is up and running to be used at your convenience. Please remember to redeem the slip after you've counted your coins.

We have taken all recommended safety precautions and we are ready to help in person! If you'd prefer a remote experience we also provide online account and loan applications, GoOnline, and GoMobile. Want transaction service that gives a little distance with a personal touch? Our drive thru lanes at our Southwestern Branch are also available.

The lobby entrance has been moved to the front of the building! You will see a new door and sidewalk welcoming you into the front vestibule.

You will see a blend of both familiar faces and some smiling new ones! We have hired several new Financial Service Associates to best serve you during our expanded hours from 7am to 7pm, Monday through Friday and Saturday from 9am to 12pm.

**We look forward to seeing you soon!**
