Rewards

Two great cards. One great program.

With uChoose, the rewards are yours to pick! You'll earn points every time you use your Meridia Visa Platinum Rewards credit and Visa debit card. Redeem points for the rewards of your choice from a huge online catalog. Watch your points add up each and every time you shop!

How does it work?

You shop, you earn, you choose! It's that simple.

- Earn one point for every \$1.00 each time you use your Meridia credit or debit card for everyday purchases
- Earn additional points by shopping at participating uChoose retailers online or in-store, or by activating exclusive uChoose email offers
- Log in anytime and redeem your points for millions of items, including merchandise, travel, merchant gift cards, event tickets and more!

Combine your points!

Combine your uChoose points into one account when your cards are linked. Members who carry both tend to reach their redemption goals much faster. Combining cards is fast and easy!

- Visit www.uChooseRewards.com and register your card. If you have already registered one of your cards, sign in, then click Preferences and scroll to "Link another account."
- Enter the information for your additional cards. There is no limit to how many cards you can add.
