Start Saving & Learning Today!

Even if your student already has a savings account at another financial institution, learning early to manage their money themselves is a **huge** advantage. Start good habits NOW! We offer a student-run branch inside Hamburg HS for students & staff in collaboration with the HHS Academy of Finance. The branch is open during lunch periods, so if they forget their lunch, need money for a field trip, need a snack for afterschool activities, or want to deposit their pay check, they can handle it all and take the work off your to-do list.

Meridia offers three college scholarships each year to graduating high school seniors who are members of Meridia. Our application also makes students eligible for the CUANY College Scholarships at the State and Local levels – that's 3 scholarship applications in one! Watch for informatiom on our website in November.

To open an account at the Meridia School Branch, the following is needed:

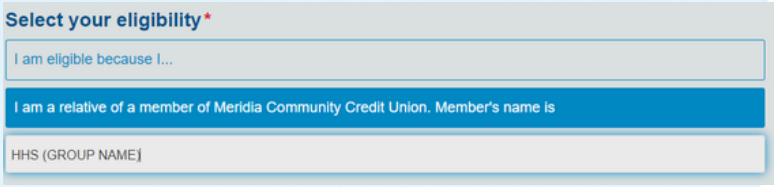

Current School ID, Driver's License or Driver's Permit with photo

Social Security Card

$5 or more to deposit

Accounts can be opened online.

- **Applicants age 17 or younger: www.meridiacu.com/cu-at-highschool**
- **Applicants age 18 +: www.meridiacu.com/primary share**
- **For applications age 17 or younger, account type is "School Branch Account".**
- **For applications completed online for ages 18+, under eligibility select as below and enter HHS and the group name.**

Age 18+

Under Age 18
